

We make it easy to share your message.

Knack Video + Photo is a **woman-owned**, full-service photo and video production company based in southwestern Ohio. We excel in **helping our clients share their unique stories** to drive engagement with their customers and audiences.

Differentiators

- Our specialty is a **documentary approach** that brings authenticity, emotion + substance to the message our clients have to share.
- Industry-leading photography and videography provided under one roof **increases efficiency** and **creates consistency** across content.
- We are adept at making our subjects feel comfortable, regardless of on-camera experience, creating a **smooth on-set environment** and a **genuine final product**.
